Your Policy

What your policy consists of

Your Lifestyle Protection Insurance policy consists of your policy wording and the information you provided in the application form and subsequent forms completed by you when applying for this insurance. Please take the time to read your policy document as it contains information you need to know and understand.

If you change your mind

If you decide that this policy is not for you, you can change your mind. However you must advise us in writing within 3 days of the commencement date. We'll then cancel it and refund any premium that you have paid. This does not apply if you have already made a claim on your policy.

The agreement between you and us

In providing you with this insurance, we have relied on the information that you have provided to us in your application form. We have also relied on you to disclose any other facts material to this insurance.

If you have failed to tell us any information relating to your insurance policy, your policy may not be valid and you may not be covered if you make a claim.

If you are not sure whether you should give us some information, call us anyway on **0800 800 783**, we'll talk it over with you and let you know if it affects your policy.

Levels of Cover

Elite Cover

Life Cover, Disability Cover, Redundancy Cover & Bankruptcy Cover.

Standard Cover

Life Cover & Disability Cover.

What Do These Cover?

Life Cover

If you pass away during the period in which you are covered by Lifestyle Protection Insurance, we will pay the death benefit, as selected by you at the commencement of your policy.

The Life Cover component of your policy will reduce on a pro rata basis over the term of the Policy.

Disability Cover

If you are unable to attend your usual business or employment resulting from any illness (as long as it is not an exclusion to the policy see pages 5 to 6) we will pay the nominated benefit. The amount payable is the monthly benefit, as selected by you at the commencement of the policy, calculated on a daily basis. The benefit will stop once you return to your usual business or employment.

We will not be liable for:

- The first 14 days any disablement or
- Any illness which manifests itself within 28 days of the commencement of the policy.

Please note that any single claim under the disability component of this Policy is restricted to a maximum of 50 weeks.

Redundancy Cover

If you are working for salary or wages for a minimum of 30 hours per week we will cover you for redundancy resulting in the loss of your employment (this does not include, for example, self employed people or working directors).

The redundancy benefit will be payable if:

- Prior to being made redundant, you were in continuous permanent fulltime employment for 3 calendar months and
- You continue to actively seek alternative employment.

The amount payable will be the monthly benefit, as nominated by you at the commencement of the policy, calculated on a daily basis, for up to 180 days.

Please note the following

- Any redundancy claim will not be paid if the policy holder was aware of the pending redundancy at the time of taking out the policy
- This provision is not available should the policy holder become redundant within 30 days of the policy being written.

Bankruptcy Cover

If you are adjudicated bankrupt by the High Court during the term of your policy we will pay the amount payable for bankruptcy cover, provided that:

- The bankruptcy is pursuant to a Creditors' Petition under the Insolvency Act 2006
- You are self employed and had been trading in the same style and same business for not less than 3 years prior to the commencement of your policy.

The amount payable will be six times the monthly benefit as selected by you at the commencement of your policy, subject to a maximum amount payable of \$10,000.

Making a Claim

If you think you may need to make a claim, please call us on 0800 800 783 as soon as possible after the event. We will talk through the claim with you and send you a claim form to get the process started.

How you can help us help you

In the event of a claim, we may require certain documents to support your claim, the sooner you can organise to get these to us, the sooner we can process your claim. Here's (at least) what we need: In the event of a Death Claim – your estate needs to notify us as soon as possible, they will need to supply us with a death certificate.

In the event of a Disability Claim – you need to notify us as soon as possible, we may require medical certificates and a letter from your employer confirming your absence from work. In the event of a Redundancy Claim – you need to notify us as soon as possible, we may require a letter from your previous employer confirming the redundancy.

In the event of a Bankruptcy Claim – you need to notify us as soon as possible, you need to provide us with written evidence from a Chartered Accountant and related court documents together with any other information we may require to validate your claim.

Honesty is the Best Policy

If you wish to make a claim on your policy, all documentation provided by you must be honest, just as we'll be honest with you. If your claim is dishonest or fraudulent in any way we have the discretion to decline your claim and end the policy.
